

Delivery Driver Guidelines - 2026

1. Delivery Drivers are encouraged to register for a route in advance by filling out the form on the website, <https://thanksgivingoutreach.org>, or by sending an e-mail to gcthansgivingoutreach@gmail.com.
2. Please also consider the size of your vehicle when requesting a route and have the back seat(s) and trunk cleaned out to accommodate anywhere from three to seven boxes of meals and boxes of desserts.
3. Parking attendants will be on hand to direct you to the correct parking area, drivers should park in the field behind the graveyard and line up like they have the last few years.
4. Drivers are encouraged to bring a helper.
5. Drivers should be at the church no later than 9:00 am get your route paper as you get in line behind the graveyard.
7. If you reserved a route but can't go, please text your name and assigned route (if any) to 609-915-1610 as soon as you know. There's usually a few people who show up who want a delivery route or are willing to take another one.
8. Deliveries will begin at 9:30, barring complications.
9. You will just form a line and begin heading around the rear of the church.
10. Runners at the church's side door will ask for the number of meals you need and will bring everything you need without you needing to get out of the car.
12. Not everybody will be at home for delivery. Some people have last minute changes of plan or somebody else called in their name or some people may just not be able to be found. If you cannot find someone and are uncertain of their address, then try calling them. If you cannot find someone but you know that you're at the correct address, do not return the meal to the church. Either deliver to someone you know in the area who wasn't signed up for a meal or take the extras back to a home you were able to deliver to for their supper.

13. In the next day or two after Thanksgiving, please fill out the Delivery Driver Evaluation form on the website.
